Dear Mr. Mussler:

Please accept this letter as a request from the Town of Edenton to renew our permit to operate the transfer station located at our Public Works facility on East Hicks Street. Our permit number is 21-01T. It was issued to us on September 6, 2001. We just were notified thankfully by Chuck Boyette that our permit expired September 6, 2006. Please let me know what additional information you need from us to renew this permit.

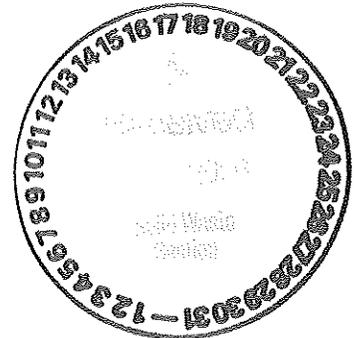

Sincerely,

Anne-Marie / tw
