Subject: Permit to Construct/Operate – Permitting Issues
AAA Hauling of NC, Inc. – Permit No. 26-13
Transfer, Recycle, Resource Recovery and Processing Facility
Cumberland County, DIN 11905

Dear Mr. Hardin:

On October 4, 2010, the Division received information regarding your facility, included were a drawing of the constructed facility, a sedimentation inspection report and information regarding financial assurance. The Division has reviewed the information provided and requests the following information;

1. The drawing entitled AAA Hauling Equipment Slab should be revised to include; the installed leachate collection tank (including volume), the access road to the facility and a delineation of the working area for the facility. The revised drawing should be sent to me at the address below in electronic (pdf) format.
2. Send me a copy of your Transfer Station Operator's certification.
3. Provide a proper Financial Assurance mechanism to Mr. Donald Herndon at (828) 508-8502.

I am revising you permit to include, the surrounding counties to your service area, and correcting the disposal facility permit number as you requested.

Once all information has been received I will send you an email allowing you to commence operations. Should you have any questions regarding this matter you may contact me at (828) 296-4704 or at larry.frost@ncdenr.gov.

Sincerely,

Larry Frost
Environmental Engineer
