Re: Permit to Operate Cell 3 Expansion
Dare County C&D Landfill
Dare County, North Carolina
Permit No. 28-03
Doc ID No. RCO627

Dear Mr. Mann:

The Solid Waste Section has determined that Dare County has met the pre-operative conditions of Solid Waste Permit No. 28-03, Part 1: Permit to Construct for Cell 3 and associated facility infrastructure. Solid Waste Permit No. 28-03, Part 2: Permit to Operate for Cell 3 is enclosed. This permit approves the operation of Cell 3 in its entirety. In your review of the permit conditions, please note that issuance of the permit does not exempt an applicant from any local ordinances that may regulate a facility. The responsibility of compliance with any applicable ordinance lies with the permit holder.

Chuck Boyette is the Regional Waste Management Specialist for your area. Mr. Boyette can be reached at (252) 948-3913. If you have questions about your permit, please contact me by phone at (919) 508-8510 or via email at Toni.Wyche.Jones@ncmail.net.

Sincerely,

Toni Wyche Jones, EI
