Re: Permit to Operate
Fogleman & Fogleman Soils, Inc. LCID Landfill
Durham County, North Carolina
Permit No. 32-F
Doc ID No. RCO624

Dear Mr. Fogelman:

Enclosed is the Solid Waste Permit for the above referenced Land Clearing & Inert Debris (LCID) landfill. The permit is issued in accordance with Solid Waste Management Rules 15A NCAC 13B .0201 (a) through (c).

In your review of the permit conditions, please note that issuance of the permit does not exempt an applicant from any local ordinances that may regulate a facility. The responsibility of compliance with any applicable ordinance lies with the permit holder.

Mary Whaley is the Regional Waste Management Specialist for your area. She can be reached at (919) 693-5023. If you have questions about your permit, please contact me by phone at (919) 508-8510 or via email at Toni.Wyche.Jones@ncmail.net.

Sincerely,

Toni Wyche Jones, EI
Solid Waste Section
