Re: Permit to Operate: Phases 1 through 3, Barnhill Contracting Company LCID Landfill,
Edgecombe County, North Carolina, Permit No. 33-F, Doc ID No. 11232 and 11233

Dear Mr. Barnhill:

Please find enclosed the Permit to Operate for the Barnhill Contracting Company LCID
Landfill, Permit No. 33-F, which approves the continued operation of the landfill.

In general, the new facility permit does not reiterate permit conditions which are included in the
Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which
are included within the approved plans, such as site specific operations.

Please review the conditions of the permit carefully. The stamped approved application can be
viewed and printed from our website at:

<http://portal.ncdenr.org/web/wm/sw>

Select Documents (Tracker) and search 33F or Barnhill Contracting. The approved application
is Doc ID 11231. Please allow about a week for documents to be added to the website.

If you have any questions regarding the permit conditions or website, please contact me at (919)
508-8510 or by email at donna.wilson@ncdenr.gov. The Waste Management Specialist for the
facility is Ban Barnes. He can be reached at (252) 459-4502.

Sincerely,

Donna J. Wilson
Environmental Engineer
Solid Waste Section
