EPA ID NUMBER NCD986187607

REPORT:

Fisher Auto Parts was previously located at 1911 Caudle Road in Mt. Airy. The facility had notified as a conditionally exempt small quantity generator. The facility had never been inspected.

I visited the facility on December 30, 2015 to make an inspection. Fisher Auto Parts had closed, and Mullins Pawn and Jewelry Store was operating at this address. I did not enter the facility. No containers were observed behind the building or around the premises.

The EPA ID number should be changed to Not A Generator.

CONCLUSIONS:

Fisher Auto Parts is closed, and the current business at the address is not a generator of hazardous waste. The status should be changed to Not a Generator.
