Construction and Demolition Landfill

Dear Mr. Crissman:

The City of Greensboro will issue a new permit application for our existing construction and demolition landfill in accordance with the rules adopted January 1, 2007. Our application will be completed in accordance to the rules proposes for existing construction and demolition landfills constructed on top of closed landfill units per Subchapter 13B, Section .0547(4).

The City of Greensboro will coordinate the preparation of the application and submission with internal staff and professional engineering consultants, HDR Engineering Inc., of the Carolinas and S&ME.

It is our current understanding that our permit application must be submitted by July 1, 2008 for the continued operation of this unit. It is our intention to comply with the promulgated rules in order to continue this operation.

Please contact my office if additional information is requested to be submitted at this time.

Very truly yours,

Jeryl W. Covington, P.E.
Director, Environmental Services Department
