Subject: A-1 Sandrock C&D

I have completed the hydrogeological review for the new A-1 Sandrock C&D facility in Guilford County. The report meets all the requirements for obtaining a permit based on the NCDENR Rules 15A NCAC 13B .0503 and .0504.

As far as I know, a franchise agreement has not be obtained.

If you have any questions, please contact me at extension 346.
