Weldon Waste Transfer Facility

Permit No. 42-05T
Halifax County

Dear Mr. Winstead:

Enclosed is Permit No. 42-05T for the Weldon Waste Transfer Facility in Halifax County. The Permit reflects the corrected permit condition, with the requested additional disposal sites. The reason the additional disposal sites were omitted from the original Permit Modification is that the additional disposal sites were requested after the permit was issued, the permit was issued on May 3, 2007 and your request was received by email on May 7, 2007. Please review the enclosed permit conditions carefully.

If you or your staff should have any questions regarding this matter please contact me, at (828) 296-4704.

Sincerely,

Larry Frost
Regional Engineer
