Hi Tyrus,

As you and I discussed by telephone yesterday, construction of the proposed new haul/access road as shown on the drawing title Revised Closure Grades of Dunn/Erwin C&D Landfill Sheet # 1 of 1 dated May 17, 2006.

I do not anticipate any problems with extending the permit until April 1, 2008, as requested in a previous email. However, again as you and I discussed, Ed Mussler is away on vacation and the PTO cannot be issued until after August 15.

Let me know of any complications.

Thanks,

Geof
