Permit No. 43-02  
Doc ID No. 5061

Dear Mr. Blanchard:

The Division of Waste Management received your permit application for continued operation dated June 30, 2008, entitled *Permit Extension Request* prepared by CT Clayton, Sr, PE, Inc., Document ID Number 5060.

The Division performed an administrative review of your application and determined that, except for the items listed below, it contains the required components of a complete submission in accordance with North Carolina Administrative Code 15A NCAC 13B .0547(4). A technical review of your application by the Division is pending. Until completion of the technical review, you are authorized to continue operation of the referenced C&DLF Unit in accordance with your most recent Solid Waste permit and the following additional conditions:

- Payment of \$9,000 Permit Amendment Fee required under NCGS 130A-295.8(c) within 30 days from date of invoice (mailed separately).

Thank you for your efforts and cooperation in this matter. If you have questions about the permit conditions or questions arise during construction, please contact either me at 919.508.8498 or Drew Hammonds, Waste Management Specialist for the facility, at 910.433.3351.

Sincerely,

Geoffrey H. Little  
Permit Engineer
