SOLID WASTE MANAGEMENT  
DIVISION

Gentlemen:

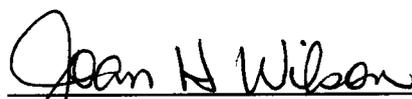

In reference to our Irrevocable Standby Letter of Credit No. 3880 originally issued on January 4, 1993 on behalf of B. T. Sanitation, Inc., DBA Central Carolina Tire Disposal, and incorporated herein by reference, United Carolina Bank does hereby agree to the following modification:

We agree with the holder of Letter of Credit No. 3880 to extend the expiration date from January 5, 1994 to February 15, 1995.

All other terms and conditions of this Irrevocable Standby Letter of Credit will remain valid and in force. This modification will become an official part of the original Irrevocable Standby Letter of Credit upon United Carolina Bank's receipt from the State of North Carolina, DEHNR authorized official's signed acknowledgment as indicated below.

Very truly yours,  
United Carolina Bank

Subject: Irrevocable Standby Letter of Credit for Central Carolina Tire  
Scrap Tire Collection Site

Dear Mr. Womble:

This letter is intended to serve as a reminder that financial assurance must remain in force during operation of a permitted scrap tire collection and processing facility in accordance with Solid Waste Management Rules, Section .1111 FINANCIAL RESPONSIBILITY REQUIREMENTS, and condition number 4 of Central Carolina Tire Disposal's permit number 43-04TP. In reviewing Central Carolina Tire Disposal's file, the expiration date for the Irrevocable Standby Letter of Credit is January 5, 1994. Please be aware that renewal of this Letter of Credit is crucial to continued operations at Central Carolina Tire Disposal. If documentation, with the date of renewal, is not presented to the Division of Solid Waste Management, the Beneficiary of the Letter of Credit, prior to December 31, 1993, then the Division of Solid Waste Management will immediately draw against this Letter of Credit beginning January 3, 1994 as stated in paragraph three of the Letter of Credit. Once the Letter of Credit is renewed, to the satisfaction of the Division, the funds drawn from the account will be returned.

If steps have been taken to renew the Letter of Credit prior to receiving this letter and a renewed Letter of Credit is forthcoming, please document and forward a copy to the Division of Solid Waste Management for our files, as soon as possible.

If you have any questions or require any assistance, please do not hesitate to contact me.

Thank you,

*Ellis Cayton*

**SUBJECT: Annual Permit Fee for Scrap Tire Collection and /or  
Disposal Sites**

Dear Mr. Womble:

This is intended to serve as a reminder to all permitted tire collection and/or disposal sites that the annual permit fee is due on or before July 1 of each year. As stated in the North Carolina Solid Waste Management Rules, 15A NCAC 13B .1102(b), "An annual permit fee shall be paid to the Division on or before July 1, as follows:

- (1) A scrap tire collection site: two hundred and fifty dollars (\$250.00); and
- (2) A scrap tire disposal site: two hundred and fifty dollars (\$250.00).

Please route the appropriate payment through the Waste Management specialist for your facility, Mark Fry; or if you choose to send the payment to the Raleigh Central Office, please provide the specialist with evidence that the fee has been paid. Contact this office at (919) 486-1191 if you have questions regarding your solid waste permit.

Sincerely,

Jim Barber

RE: Central Carolina Tire Scrap Tire Collection Site Permit  
Permit Number 43-04 TP

Dear Mr. Womble:

Enclosed please find a Solid Waste Permit and Conditions of the Solid Waste Permit for the collection and storage component of the above referenced scrap tire recycling facility.

This permit is for a three (3) year period from the date of issuance and approves the construction and operation of the tire and tire derived product collection and storage part of the referenced facility.

The financial assurance component of this permit (the letter of credit) shall be renewed and in effect prior to January 5, 1994. Also, this permit limits the number of tires which may be stored monthly, prior to processing, to eleven thousand five hundred and thirty eight (11,538) tires.

While a permit is not required for the processing component of your facility, please note that there are operational and annual reporting requirements that apply under section .1110 of the Solid Waste Management Rules.

If you have any questions or require any assistance, please contact our office at (919) 733-0692.

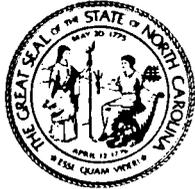

Sincerely,

*Ellis Cayton*

PERMIT 43-04-TP  
February 18, 1993

**SOLID WASTE PERMIT**

CENTRAL CAROLINA TIRE DISPOSAL

is hereby issued a permit to operate a

SCRAP TIRE COLLECTION SITE

located off dead-end S.R. 1105, Harnett County, North Carolina in accordance with Article 9, Chapter 130A, of the General Statutes of North Carolina and all rules promulgated thereunder and subject to the conditions set forth in this permit.

  
James C. Coffey  
Permitting Branch  
Solid Waste Section

## SOLID WASTE PERMIT

CENTRAL CAROLINA TIRE DISPOSAL

SCRAP TIRE COLLECTION SITE

### CONDITIONS OF PERMIT

1. This permit is issued for a period not to exceed three (3) years from the date of issuance, subject to condition number 2. This permit is for the construction and operation of the tire collection site set forth in the attached application. Additional conditions or revisions to the approved plans or operations must be approved by the Solid Waste Section.

Amendments or revisions to the Solid Waste Management Rules or violation of surface water, ground water, or land quality standards may necessitate modification of construction, operation, or closure of this facility prior to the expiration date of this permit.

2. This tire collection site is permitted to store, monthly, prior to processing, not more than eleven thousand five hundred and thirty eight (11,538) tires during the first year of this permit. Prior to the expiration of this one year period, Central Carolina Tire Disposal must submit for approval, information and documentation for the amount of tires to be processed through this facility on a monthly basis. Proof of closure, clean up, and liability financial assurance, including pollution coverage, must also be submitted at that time for the potential amount of storage equal to the monthly processing amount.

Subsequent adjustments to the storage amount and financial assurance amounts require approval of the Solid Waste Section.

3. A minimum of seventy-five percent (75%) of tire derived products must be disposed in Central Carolina Tire Disposal's tire monofill or shipped off-site on an annual basis. Adjustments to this percentage to allow additional amounts of storage or adjustments to allow additional length of storage time must be approved by the Solid Waste Section.
4. Closure and clean up financial assurance must remain in force during the operation of this site and is subject to Condition Number 2. Central Carolina Tire Disposal must submit to the Division for approval, any subsequent changes in the instrument or provider of financial assurance at least one-hundred-twenty (120) days prior to said change. **This permit is immediately revoked if any lapse of closure and clean up financial assurance occurs.**
5. Liability financial assurance must remain in force during the operation of this site and is subject to Condition Number 2. Central Carolina Tire Disposal must submit to the Division for approval, any subsequent changes in the instrument or provider of liability financial assurance at least one-hundred-twenty (120) days prior to said change. **This permit is immediately revoked if any lapse of liability financial assurance occurs.**

6. This facility shall conform to the operating procedures set forth under section 0.1107 of the Solid Waste Management Rules and the following specific conditions:
  - a. Within one (1) month after termination of operations at the site or a major portion thereof or upon revocation of this permit, all scrap tires and scrap tire derived products shall be removed to a permitted solid waste management facility approved to receive this type of waste.
  - b. The Division may require further action to be taken in order to correct any condition which is or may become injurious to the public health or environment.
  - c. Adequate fire protection measures shall be in place and fire prevention procedures shall be practiced at all times. Equipment shall be provided to control accidental fires or arrangements shall be made with the local fire protection agency to immediately provide fire-fighting services when needed.
  - d. Adequate control measures and practices shall be employed to prevent any pollutants from contaminating surface water, ground water, and soil.
  - e. A copy of the Emergency Preparedness Manual must be kept readily available to employees on the site at all times.
  - f. The site shall be adequately secured to prevent unauthorized entry. An attendant shall be on duty at the site at all times while it is open for public use to assure compliance with operation requirements.
  - g. Tires shall be stored only on the padded areas as described in the permit application. Any proposed changes in storage or procedures shall require approval by the Solid Waste Section. Outdoor tire storage shall comply with 15 NCAC 13B 0.1107 (2).
7. A report shall be submitted annually on March 1 to the Division and to Harnett County containing the information required under 15 NCAC 13B .1110 (d).
8. A sign with the name of the facility and permit number must be erected and maintained at the entrance of the facility.

Re: Scrap Tire Processing Facility  
Central Carolina Tire Disposal  
Harnett County, North Carolina

Dear Mr. Cayton:

We hereby submit an Emergency Response Plan for the referenced Processing Facility.

This Plan will be in poster form and will be located in conspicuous places at the site.

We have not addressed hazardous waste, since this material is not stored at the site. We also feel that any fire involving tires will be eliminated quickly.

If you have any questions regarding this Plan, please do not hesitate to call.

IRREVOCABLE STANDBY LETTER OF CREDIT NO. 3880

ISSUE DATE: January 4, 1993

EXPIRATION DATE: January 5, 1994

State of North Carolina  
Department of Environment, Health and Natural Resources  
Division of Solid Waste Management  
Solid Waste Section  
Post Office Box 27687  
Raleigh, North Carolina 27611-7687

RE: B. T. Sanitation, Inc., DBA  
Central Carolina Tire Disposal

Gentlemen:

We hereby establish our Irrevocable Standby Letter of Credit No. 3880 in your favor, at the request and for the account of B. T. Sanitation, Inc., DBA Central Carolina Tire Disposal, Route 2, Box 59-B, Cameron, North Carolina 28326, in an amount not to exceed **SEVENTY-FIVE THOUSAND AND 00/100 DOLLARS, (US CURRENCY \$75,000.00)**, available by your drafts at sight on United Carolina Bank, 300 Fayetteville Street, Clinton, North Carolina 28328.

Full or partial sight drafts may be drawn under this Irrevocable Standby Letter of Credit by and in the name of the State of North Carolina, Department of Environment, Health and Natural Resources, Division of Solid Waste Management. Partial drafts drawn under this letter of credit shall not, in the aggregate, exceed the amount stated above.

Funds established by this Irrevocable Standby Letter of Credit are available to you upon presentation of your sight draft and a certification from you that the amount drawn is the minimum necessary to reimburse the Division of Solid Waste Management, State of North Carolina for site closure, clean up, and other costs directly related to site closure or clean up on behalf of the above referenced client. Both the sight draft and certification must bear on their face the clause, "Drawn under United Carolina Bank, Clinton, North Carolina, Irrevocable Standby Letter of Credit No. 3880 dated January 4, 1993."

We engage with you that drafts drawn under and in compliance with the terms of this credit will be met with due honor upon their presentation to the principal office of United Carolina Bank, 300 Fayetteville Street, Clinton, North Carolina 28328 on or before January 5, 1994. We further engage with you that, at your sole option, this Irrevocable Standby Letter of Credit shall inure to the benefit of any co-sureties or reinsurers who may share any applicable risk with you, although only the Division of Solid Waste Management may draw upon this letter of credit. Further, this letter of credit is non-transferable.

This Irrevocable Standby Letter of Credit does not contain any automatic extensions and expires at 5:00 PM, Raleigh, North Carolina time on January 5, 1994. While not guaranteed, it is anticipated United Carolina Bank will renew for a like term subsequent Irrevocable Standby Letters of Credit which may be required by the State of North Carolina as a condition to grant operation permits for this tire disposal facility.

To the extent not inconsistent with the expressed terms hereof, this Irrevocable Standby Letter of Credit shall be governed by and construed in accordance with the Uniform Customs and Practice of Documentary Credits (Latest Revision), International Chamber of Commerce (Publication No. 400) and to the Uniform Commercial Code.

Very truly yours,  
United Carolina Bank
