## Environmental Hydrogeological Consultants, Inc.

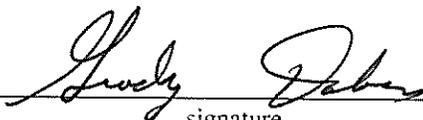

Monitoring Date: 3-28-11

Site: Barnhill McArtan LCID Landfill  
Josey Williams Road  
Harnett County, North Carolina

### To Whom It May Concern:

Environmental Hydrogeological Consultants, Inc. (EHC) conducted a vapor monitoring event at the *Barnhill McArtan LCID Landfill* on the date shown above. During the site visit, monitoring well *MW-1* was opened and was immediately checked for explosive vapors using a hand held Combustible Gas Detector (0-100% LEL).

The time of the test was 1:30 (am / pm) and the reported reading was 0 % LEL (Lower Explosive Limit).
