Hendersonville, North Carolina 28739

Subject: Henderson County Transfer Facility
Permit # 45-04T
Hendersonville, Henderson County, North Carolina

Dear Mr. Thompson:

Enclosed is a Permit to Construct and "draft" copy of the Permit to Operate for the referenced solid waste Transfer Facility and the accompanying conditions for the above referenced facility.

Please note Construction Condition #4, which identifies the pre-operational requirements for this facility that need to be met prior to the issuance of a Permit to Operate. Please review the conditions of the permit carefully and if you have any questions or comments please contact the undersigned at (910) 486-1191 or Jim Patterson at (704) 251-6208 ext. 209 for the pre-operational site inspection.

Sincerely,

Jim Barber

Eastern Area Engineer
Solid Waste Section

PERMIT NUMBER: 45-04T
ISSUE DATE: July 29, 1997

SOLID WASTE PERMIT

COUNTY OF HENDERSON

is hereby issued a PERMIT TO CONSTRUCT a

TRANSFER FACILITY

located at the Henderson County Lanfill, 802 Stoney Mountain Road, Hendersonville, Henderson County, North Carolina in accordance with Article 9, Chapter 130A of the General Statutes of North Carolina and all rules promulgated thereunder and subject to the conditions set forth in this permit. The facility is located and described by the construction plan submitted and the permit application narrative.

James C. Coffey, Supervisor
Permitting Branch
Solid Waste Section

PERMIT NUMBER: 45-04T

DATE ISSUED: JULY 29, 1997

FACILITY NAME: HENDERSON COUNTY TRANSFER STATION
HENDERSONVILLE, NORTH CAROLINA

CONDITIONS OF PERMIT (CONSTRUCTION)

1. This permit is for construction of the Transfer Facility in accordance with the plans dated May 1997 and approved on July 1997. Any revisions or modifications to these plans shall be approved by the N.C. Solid Waste Section.
2. All sedimentation and erosion control activities shall be conducted in accordance with the Sedimentation Control Act, 15A NCAC 4 and all other applicable state, federal and local permits secured prior to construction.
3. All earth disturbing activities will be conducted in accordance with all federal, state, and local requirements.
4. The following requirements shall be met prior to receiving a "PERMIT TO OPERATE" from the Solid Waste Section:
 - a. Site inspection shall be made by a representative of the N.C. Solid Waste Section.
 - b. Site preparation shall be in accordance with the approved construction plan, unless revisions or modifications are presented to the N.C. Solid Waste Section for approval. Three sets of "As-built" drawings shall be submitted indicating modifications, if any.
 - c. A revised operations plan, if any changes made on the "as-builts" directly affect the operations, of and for the transfer facility.
 - d. The permit number and the words "No hazardous or liquid wastes accepted" shall be posted on an entrance sign with the permit number. Site access controls shall be installed and operational.
 - e. Installation of the sewer line and pump station on-site, for the disposal of wash down water, to the City of Hendersonville sewer system shall be complete or an alternate method of handling wash-down water and liquids from the waste shall be operational.

DRAFT

CONDITIONS OF PERMIT

OPERATION:

1. This facility is permitted to receive solid waste as defined in 15A NCAC 13B .0101 (36), except that hazardous and liquid wastes are prohibited from acceptance at this facility.
2. This facility may receive solid waste that is generated within the service area described in Appendix I of this document and shall dispose of said solid waste at the Waste Management - Palmetto Landfill located in Spartanburg, S.C. or the BFI CMS Landfill (Permit # 13-04) located in Concord, Cabarrus County, North Carolina.
3. This permit shall be reviewed every five (5) years. Modifications shall be in accordance with the Rules in effect at the time of review.
4. This permit is for operation of the transfer facility in accordance with the approved plans and the approved Operational Plan prepared by Camp Dresser & McKee(CDM) dated May 29 1997. Any revisions or modifications to these plans shall be approved by the North Carolina Solid Waste Section.
5. Operation of the facility shall occur in accordance with 15A NCAC 13B .0402, "Operational Requirements for Transfer Facilities", the approved operations plan prepared by CDM and these additional requirements:
 - a. The owner or operator of a municipal solid waste management facility shall not knowingly dispose of any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:
 1. Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.
 2. Requires generators or collectors of municipal solid waste to recycle that type or form municipal solid waste.
 - b. On or before 1 December(or at an earlier date as requested by the Division), the owner or operator shall report to the NC Solid Waste Section, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, such reports shall indicate by weight the COUNTY of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county in which waste originated.
