Larry,

We had one hiccup on the HHW event for April 21st. I have the permit to hold the event of premise. The hiccup is that I can't get a flat bed truck up the driveway of the activity center. So, I would like permission to put the HHW building at the Recycle Center for the event. I would still have the traffic, citizens, and accepting of solid waste at the gate next to the little brick house shown in attachments. Can I get permission for this? If this is to confusing please call to discuss. 828-275-1033.
