From: Brian Wootton 
Hydrogeologist

Subject: Site Suitability Application – Steele Property Expansion
Iredell County Subtitle D MSWLF Landfill
Iredell County
Permit No. 49-03– Final Comments
ID No. 14085

I have reviewed the Site Hydrogeologic Study and portions of the Site Study Application pertaining to hydrogeologic criteria, pursuant to NCAC 13B .1600 rules for the proposed addition of the Steele Property Expansion of the Iredell County MSW Landfill. The original Site Hydrogeologic Study was submitted on May 18, 2009 and revised on May 31, 2011. The separate Site Study Application was submitted in September 2010. Review of these applications commenced on April 7, 2011.

Based on the information submitted, I have no objection to issuance of this portion of the Site Suitability application.
