Re: Implementation of New Construction and Demolition Landfill Rules

Dear Mr. Crissman:

I am writing on behalf of Lenoir County concerning the notification required by your letter dated March 30, 2007. Lenoir County intends to continue operation of the construction and demolition landfill on top of their closed MSW landfill beyond June 30, 2008.

Lenoir County intends to use Municipal Engineering Services Co., PA as their environmental consultant. We plan to meet with the Solid Waste Section to discuss the County's individual situation.

Sincerely yours,  
MUNICIPAL ENGINEERING SERVICES CO., PA

D. Wayne Sullivan
