Re: Permit to Operate – Onslow Container Service Transfer Station
Lenoir County, North Carolina
Permit No. 54-08T
Doc ID No. 14283

Dear Mr. Hill:

Enclosed is Permit No. 54-08T (Doc ID No. 14228) for the Onslow Container Service Transfer Station in Lenoir County. The Permit is issued for a five-year period and approves the continued operation of the facility.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

A certified copy of the permit has been enclosed for recordation purposes, in accordance with condition 3, Part IV, Attachment 1 of the permit.

Please review the conditions of the permit thoroughly. Mr. Wes Hare is the Solid Waste Section Waste Management Specialist for your area, and can be reached at (910) 796-7405. If you have questions about your permit, please contact me at (919) 508-8496.

Sincerely,

Elizabeth S. Werner
Hydrogeologist
Solid Waste Section
