Dear Mr. Mussler:

On behalf of Lincoln County, S&ME, Inc. would like to provide you this letter as documentation of Construction Quality Assurance services provided by S&ME, Inc. during the Phase II/ Phase III Tie-In at the Lincoln County Landfill. The final Phase II/ Phase III Leachate Tie-In took place on September 26, 2006. At this time the landfill is fully operational with all leachate being routed directly to the primary storage tanks. If you have any further questions or need clarification, please feel free to contact us at your earliest convenience.

Sincerely,
S&ME, Inc.
