Re: *Permit Modifications for: Yadkin County Transfer Station #99-03T; McDowell County Transfer Station #56-02-T; and Rocky Mount Transfer Station #6405T*

Dear Mr. Mussler,

Republic Services of North Carolina, LLC (Republic) is submitting this letter with attachments, as our request to modify the above referenced transfer station permits. This request is for a change in wording for each permits' site specific disposal facility to any Republic Services, Inc. owned disposal facility.

Supporting documents have been attached including letters of approval from Yadkin County, McDowell County and City of Rocky Mount. Yadkin County has also requested a change in their service area to include neighboring counties.

It's my understanding, that the Solid Waste Section will send us an invoice for the permit modification fees, anticipated to be \$500 for each permit. We will be issued an approval letter documenting these changes, with actual permit modifications to occur during each of the regular permit renewal events.

We will make a similar request for other facilities as we receive each County/City approval. If you have any questions, please contact me at 828-695-2055 or 828-320-7802.

Sincerely,
REPUBLIC SERVICES OF NC, LLC

Mr. Raymond J. Hoffman, P.E.
Area Engineer

Re: Transfer Station Permit to Operate #99-03T

Dear Mr. Schrum:

This letter authorizes Republic Services, Inc. to request a modification to permit #99-03T with NCDENR. The request from Republic Services, Inc. would allow Republic Services, Inc. to include Foothills Landfill in Caldwell County in addition to the current location at CMS/BFI landfill located in Cabarrus County.

Also, while we are making modifications to permit # 99-03T, Yadkin County would like to make the modification of taking out of county waste from our neighboring counties. We would appreciate this modification to be done at this time.

If you have any questions, please contact Cheri W. Cranfill, Yadkin County Solid Waste Director at 336-679-6348.

Sincerely,

Cheri W. Cranfill
Director- Yadkin County Solid Waste
