Re: Assessment of Corrective Measures Extension
Macon County Lined Landfill, Permit #57-03

Dear Mr. Stahl:

The Solid Waste Section received the Assessment of Corrective Measures Extension request submitted by Macon County on September 11, 2008. A 48 day extension from the September 13, 2008 deadline was requested due to a delay in surveying the landfill and the need for additional time to compile data points from the survey.

This letter serves as formal approval for the extension and Macon County has until October 31, 2008 to submit the ACM report in accordance with 15A NCAC 13B .1635.

Please contact me at (919) 508-8520 or by e-mail at ervin.lane@ncmail.net if you have any questions or concerns regarding this letter. Thank you in advance for your anticipated cooperation in this manner.

Sincerely,
