Mr. Huff:

The Division of Waste Management, Solid Waste Section (Section) has completed review of the revised financial assurance cost estimates (DIN 14103). This document was submitted on your behalf by McGill Associates and was received in the Asheville Regional Office on June 7, 2011.

This letter approves the financial assurance cost estimates, in the total amount of three million, five-hundred ninety-one thousand, six-hundred and sixty-six dollars (\$3,591,666). The break down of the financial assurance cost estimates, as provided in the submittal, is as follows:

Closure	Post-Closure Care	Potential Assessment and Corrective Action	Total
\$340,926	\$250,740	\$3,000,000	\$3,591,666

Please establish, and submit to the Section, a financial assurance mechanism in the approved amount as soon as possible. Contact Donald Herndon, Division Compliance Officer, at (919) 508-8502, or by email at donald.herndon@ncdenr.gov, if you should have any questions regarding the financial assurance mechanism. Please note, the pending five-year renewal of the Permit to Operate for the Madison County C&D Landfill cannot be issued until the revised financial assurance mechanism has been approved by the Section.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at allen.gaither@ncdenr.gov.

Sincerely,

Allen Gaither
