The Solid Waste Section has prepared Draft Solid Waste Permit No. 74-07, which would allow the existing C&D Landfill to expand the disposal area of the facility, to increase the service area, and to increase the allowable daily disposal rate. The Phase II expansion to the construction and demolition debris (C&D) landfill would add a 23 acre disposal area, which would bring the total actual disposal area to 38 acres. The total landfill property, including the buffer around the landfill area, would increase 126 acres for a total landfill property of approximately 160 acres.

The draft permit proposes to increase the maximum daily disposal rate from 200 tons per day to 300 tons per day, and to increase to the service area of the facility, in accordance with the franchise approved by the Pitt County Board of Commissioners. The service area for the landfill would be increased to allow the disposal of waste generated in North Carolina counties within a 100 mile radius of the facility, instead of the current service area of the counties within a 50 mile radius of the facility. The proposed new service area consists of 44 North Carolina counties.

The C&D Landfill is owned by C&D Landfill, Inc. and is located south of Highway 101, approximately 10 miles

con, approximately 10 miles east of Greenville, at 802 Recycling Lane, Greenville, NC. The landfill is adjacent to the EJE Recycling Transfer Station. The C&D Landfill is permitted to dispose of construction and demolition debris, inert debris, land clearing debris, and asphalt.

A 45-day comment period begins May 31, 2009 and ends at 5:00 PM on Thursday, July 16, 2009.

Comments concerning the terms and conditions of the proposed permit should be submitted in writing to Donna Wilson, Division Contact, at the address listed above, before the close of the comment period.

Interested parties may obtain copies of the fact sheet and draft permit from the division contact. All data submitted by the applicant as part of the administrative record may be viewed, by appointment, between 9AM and 4PM Monday-Friday at the Division of Waste Management, 401 Oberlin Road, Suite 150, Raleigh, NC. The administrative record including the application, fact sheet, and draft permit may be viewed online at <http://www.wastenoctnc.org/swdocuments.asp> (select 7407 in the permit box and then click Search Documents).

A public hearing has been scheduled for Tuesday June 23, 2009, at 6:30 PM. The hearing will be held in the Whitehurst Lake House, 803 Whitehurst Lane, Washington, NC 27889. Interested parties may submit oral or written statements and data concerning the proposed new facility permit. Persons wishing to speak may register at the hearing and will be allotted five (5) minutes to present their comments. Interested parties may submit written statements and data concerning the proposed new facility permit to the division contact at the above address, before the close of the comment period.

In accordance with the Americans with Disabilities Act, NCDENR will provide auxiliary aids and services for disabled persons who wish to review the proposed administrative record and documents. Please contact Donna Wilson at the above listed address if such services are needed.
