Re: Implementation of New Construction and Demolition Landfill Rules

Dear Mr. Crissman:

I am writing on behalf of the City of Albemarle concerning the notification required by your letter dated March 30, 2007. The City of Albemarle intends to continue operation of the construction and demolition landfill on top of their closed MSW landfill beyond June 30, 2008.

The City of Albemarle intends to use Municipal Engineering Services Co., PA as their environmental consultant. We plan to meet with the Solid Waste Section to discuss the City's individual situation.

Sincerely yours,
MUNICIPAL ENGINEERING SERVICES CO., PA

D. Wayne Sullivan
