Dear Lambert:

On behalf of the City of Albemarle, Ms. Colleen M. Conroy, Director of Finance, submitted a Financial Assurance letter to Amy Kadrie of the Solid Waste Section on June 17, 2008, pertaining to the Closure, Post Closure, and Corrective Action Cost Estimates for the Construction & Debris Landfill (atop the closed landfill).

On page 2 of the June 17, 2008 letter (a copy of the June 17, 2008 letter is attached for reference), a summary of Closure Cost Estimates, Post-Closure Estimates, Corrective Action Cost Estimates, and Total Costs to be Covered; are listed. The actual break-down of costs are listed in subsequent pages of the letter for "Closure Costs" under Section 2.6 and "Post Closure Costs" under Section 3.2. The remainder break-down costs for "Corrective Action Cost Estimate" were not stated or accidentally missing from the letter.

Please include a break-down cost for Corrective Action Estimated Costs, in similar fashion to Closure and Post-Closure Estimates, and if necessary, revise or update all other calculations and summary totals if warranted. Please submit the revised documentation no later than November 1, 2008, to the Solid Waste Section.

If you, Ms. Conroy, your Geologic Consultant, or your Engineering Consultant have any questions, or wish to schedule a meeting to discuss the items referenced in this letter, please call me at 919-508-8524.

Sincerely,

Brian Wootton
