

Mr. Lambert,

An update on the review of the Corrective Action Plan (CAP) application for the C&D over closed MSW - City of Albemarle - Permit No. 84-01

On November 7, 2008, I and some of my colleagues met with Sean Patrick of MESCO to address some questions /concerns the Solid Waste Section has pertaining to some of their (MESCO) Corrective Action Plans, including this one.

To date, I have not heard a response back from MESCO. As soon as I have a response, I will resume the review of the CAP for City of Albemarle.
