Subject: C&D Area Storm Water Management Improvements  
City of Albemarle Landfill, 84-01-CDLF-1997  
Stanly County, Document ID No. 13475

Mr. Lane:

The Division of Waste Management, Solid Waste Section (Section) has completed a review of the documents titled *C&D Area Storm Water Management Improvements* (DIN 13376). The documents were submitted on behalf of the City of Albemarle to the Section on February 18, 2011.

Based on this review, the Section approves the Storm Water Management Improvements Plan and authorizes the proposed activities in accordance with the document referenced above. As-built drawings indicating actual construction shall be submitted upon completion of the construction activities. As a reminder, any significant deviations from the plan must be approved by the Section prior to implementation and require submission of documentation describing all proposed changes. The report, including any data produced during construction, should be forwarded to my attention in hardcopy and electronically in Portable Document Format (PDF).

If you should have any questions regarding this matter please contact me at (919) 508-8495, or John Murray at (704)235-2163 or by email at [john.murray@ncdenr.gov](mailto:john.murray@ncdenr.gov).

Sincerely,

Edward F. Mussler III, P.E.
