RE: Schools within a half-mile of the North Wake Landfill.

Fac/Perm/Co ID #	Date	Doc ID#
3402	10/13/2001	DIN 15433

92-09

There are four schools located on Durant Road within one-half mile of the North Wake County Municipal Solid Waste Landfill. These schools include two elementary, one preschool and one middle school. The name and address of the schools and their respective student population are as follows:

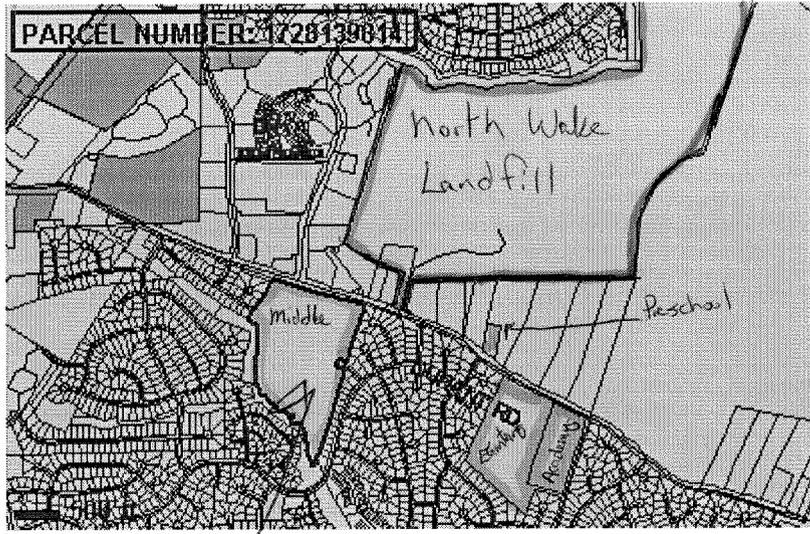

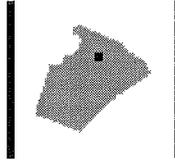

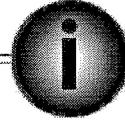

Durant Road Elementary 9901 Durant Road	+1125 students
North Raleigh Christian Academy 9801 Durant Road	200 students (figure estimated by the school)
Durant Road Preschool 10030 Durant Road	110 students (current, maximum capacity 150)
Durant Road Middle 10401 Durant Road	1458 students (2000-2001 school year)
Total Student Population	2893 (This does not include Staff)

It is also worth noting that both Durant Elementary and Durant Middle Schools operate year round education programs. All four of these schools are located along the transport route for the waste disposal vehicles.

Note - missed one Preschool on Durant Rd. This preschool is new.

1999-00 Student Mobility

Student Mobility measures describe how much students move into, out of, and between schools. Mobility can impact classroom planning and student performance when students leave and are replaced by other students whose needs must be assessed.

One measure of mobility is "stability" -- the percentage of students at a school at the end of the year who were continually enrolled in the school since the first week. The higher the percentage, the more "stable" the student population has been.

Stability

This school in 1999-00: **99%**

All middle schools in 1999-00: 92%

Another measure of mobility is "turbulence" -- the movement in and out of a school during the year after the first 20 days. This is calculated by adding all entries and withdrawals and then dividing by the cumulative enrollment (all students who enter the school during the year). A lower percentage shows less mobility.

Turbulence

This school in 1999-00: **5%**

All middle schools in 1999-00: 15%

Mrs. Starr Braswell Principal

Mrs. Braswell has been married to Charlie for 35 years. They have two children, Katie, a teacher in the Guilford County School System, and Gill who is a professional actor. Since both of her children are grown, Mrs. Braswell calls all 1125 plus students at Durant her children. She has taught every grade K-8 except 2nd.

Mrs. Braswell thinks Durant Elementary School is a very special place. In her 30 plus years as an educator she has never seen so many creative, innovative, caring educators in one place. She also believes that parents must be partners in the education of their children and invites you to volunteer in classrooms.

Excitement is in the air as we begin our 2001-2002 school year! You are invited to **"Soar With the Eagles"**.
