Re: Permit to Operate, Apex C&D Waste Transfer Facility, Wake County, North Carolina,
Permit No. 92-29T-Transfer-2009, Doc ID 6995

Dear Mr. King and Mr. Booth:

Please find enclosed the Permit to Operate for the Apex C&D Waste Transfer Facility, Permit No. 92-29T-Transfer-2009, which approves the continued operation of the facility and change in operator of the facility to Shotwell Transfer Station II, Inc.

In general, the new facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans, such as site specific operations.

If you have any questions regarding the permit or conditions, please contact me at (919) 508-8510 or by email at Donna.Wilson@ncmail.net. The Waste Management Specialist for the facility is Brad Bailey. He can be reached at (919) 508-8565.

Sincerely,

Donna J. Wilson
Environmental Engineer
