Subject: WCA Brownfield Road Landfill

From: "David Garrett, P.G., P.E." <david_garrett_pg@mindspring.com>

Date: Thu, 04 May 2006 13:15:25 -0400

To: ellen.lorscheider@ncmail.net, vsmith@wcamerica, wcarter@wcamerica.com, "Danielle Forget" <dforget@wcamerica.com>, Ed Mussler <Ed.Mussler@ncmail.net>, toni.wyche@ncmail.net

Please see attached file, documenting the blasting at the referenced site. I anticipate the rock excavation will be cleared and a topographic survey will be completed in a few days, soon followed by my construction certification report. The rest of Cell B appears to be on-grade, pending completion of the survey. Please call the number below with questions. Thanks.
