Subject: LFG Collection & Control System Operation
Closed MSW Landfill Unit
Watauga County, Permit #95-02, Document ID No. 11171

Mr. Potter:

The Division of Waste Management, Solid Waste Section (Section) has completed review of the document titled *Certification Report - Landfill Gas Collection and Control System Modifications* (DIN10903). The document was submitted on your behalf by Carlson Environmental Consultants, PC and was received in the Asheville Regional Office on June 21, 2010.

This letter serves as an approval of the Certification Report and an authorization for the operation of the Landfill Gas Collection and Control System and the pipeline from the flare station to the Landfill Gas to Energy project site adjacent to the maintenance building at the Watauga County closed MSW landfill unit.

If you should have any questions regarding this matter please contact me at (828) 296-4703, or by email at allen.gaither@ncdenr.gov.

Sincerely,

Allen Gaither
Environmental Engineer
