Attachments: LTR - 10 1108 - JVPotter(Watauga) - Watauga County Landfill - Report for the September 2010 monthly gas and fourth quarter 2010 event - CJB.pdf

Good Morning Elizabeth,

I have attached the last monthly testing performed on the residential houses and we are requesting that we discontinue the monthly testing after November and return to our quarterly monitoring, considering the last three tests have been in compliance.

If you have any questions, please let me know.

Thanks
Donna Watson

<<LTR - 10 1108 - JVPotter(Watauga) - Watauga County Landfill - Report for the September 2010 monthly gas and fourth quarter 2010 event - CJB.pdf>> Donna,

Would you please pass this letter on to Mr. Potter. Also, a hardcopy is in the mail. If you have any questions, please give me a call.

The landfill was in compliance in September and October. I would recommend one more monthly monitoring in November and then request that DENR grant permission to discontinue the monthly monitoring. If they agree the next quarterly monitoring will occur during the first quarter of 2011.

Sincerely,

Chris Branscome

Dear Donna,

Thank you for sending me the September and October monthly landfill gas monitoring reports. I was looking through my files and I'm missing the monthly report for August. Please email this report to me and Cc John Patrone. Thank you.

As for your request to discontinue monthly monitoring, please submit your request in formal writing after the November sampling. This request may be included in the November sampling results report. The Section will evaluate and consider your request at that time.

Please feel free to contact me with any questions or comments.

Sincerely,
Elizabeth
