Re: Approval to Cease Monthly LFG Monitoring
Watauga County MSW Landfill – Closed
Permit No. 95-02
Doc ID No. 12585

Dear Mr. Potter:

The Solid Waste Section (Section) has received your request to cease monthly landfill gas monitoring at the closed Watauga County MSW Landfill. The recent monthly monitoring has shown no exceedances of landfill gas, specifically methane. The Section approves the request to cease monthly landfill gas monitoring. However, quarterly landfill gas monitoring must still continue.

If you have any questions, please do not hesitate to contact me via email Elizabeth.werner@ncdenr.gov or phone (919) 508-8496.

Sincerely,

Elizabeth S. Werner
