AREAS OF CONCERN AND COMMENTS:

1. The transfer facility is permitted to accept Watauga County waste only.
2. Observed operations of facility. Facility needs to address the interaction of the general public with the waste in the Transfer Station. Suggest either erecting a barrier or better signage to clearly outline the proper locations for those persons, their vehicles, and their waste as traffic flow in and out of the building is a issue.
3. Facility averages around 200 tons per day of incoming waste.
4. Staff is conducting 2-3 waste screenings a week.
5. Tipping Floor needs to be washed down weekly. **Area under floor grate in the pit needs to be cleaned and material properly disposed.**
6. Per your permit, make sure at no time is any waste left on the tipping floor for more than 48 hours
7. The following staff are certified Transfer Station Operators:
 Jimmy Johnson, expires November 2007
 Terry Scott, expires November 2007
 Dana Moretz, expires May 2009
 Mike Davis, expires February 2010
 Scott Gregg, expires February 2010
8. All windblown material from the transfer station building, recycling center, and/or the on-site convenience center that has escaped containment needs to be collected and either recycled or disposed of at the transfer station.
9. Ensure that both the tire generator and the hauler sign sections 1 & 2 of the tire certification form even if they are the same party.

Please contact me if you have any questions or concerns regarding this audit report.
