Re: Revision to Permit 96-01, Wayne County

Dear Mr. Keith:

The revision to the final grading plan that has been submitted by you, as requested by Wayne County, is approved.

*of* It is determined by the Division of Health Services that additional slope drains are needed to handle surface runoff; they will be required later.

Please advise Wayne County to substitute this revised sheet for sheet 8 of 9 in the original plan.

If you have any questions concerning this matter, please advise.

Sincerely,

J. Gordon Layton, Environmental Engineer  
Solid & Hazardous Waste Management Branch  
Environmental Health Section

Re: Wayne County Sanitary Landfill near Dudley- Revisions  
to Operational Plan.

Dear Gordon:

Enclosed are three (3) copies of the revised Final Grading Plan - South Side, of the Wayne County Sanitary Landfill near Dudley. The revision that you requested have been completed. The plan now shows the higher final elevations that are being maintained by Wayne County. Also shown are erosion control measures that you requested.

We request your review and approval, and if satisfactory we will provide copies of the revised sheet to the parties involved. If you have any questions regarding these revisions please contact our office.

Sincerely,

L.E. WOOTEN AND COMPANY
