Dear Mr. Weil:

I inspected your property located on Arrington Bridge Road on April 11, 1985.

The solid waste had been compacted, covered and a fence and no-dumping signs installed. It appeared to me you did a good job in closing out this dumping site.

I urge you to keep close watch for renewed dumping in this area, particularly during the first few weeks. Some old habits are not easily broken.

I want to thank you for your response in this matter. I don't believe you will regret your decision to clean-up this site.

Sincerely,
