Subject: City of Goldsboro Transfer Facility
 Permit # 96-07T
 Amendment #2
 Goldsboro, Wayne County, North Carolina

WILLIAM L. MEYER
DIRECTOR

Dear Mr. Sawyer:

Enclosed is a revised Permit to Operate for the referenced solid waste Transfer Facility and the accompanying conditions for the above referenced facility. As stated in our phone conversation on Friday 5 February 1999, I mistakenly duplicated permit #96-05 and now have corrected this problem by re-issuing the City of Goldsboro Transfer Station permit #96-07. Also, the operational conditions have been amended to reflect that Goldsboros waste is being transferred to the Wayne County landfill at this time. I apologize for any inconvenience that this change may cause.

Please note Operational Condition #5, which identifies additional requirements for this facility, in conjunction with the Operational Requirements for Transfer Stations, Section .0402 of the Solid Waste Management Rules that the Owner/Operator need to operate by. Please review the conditions of the permit carefully and if you have any questions or comments please contact the undersigned at (910) 486-1191 or Bobby Nelms, Environmental Technician at (919) 946-6481.

Sincerely,

 Jim Barber

DATE AMENDED: February 10, 1999
FACILITY NAME: CITY OF GOLDSBORO TRANSFER FACILITY

CONDITIONS OF PERMIT

OPERATION:

1. ✓ This facility is permitted to receive solid waste as defined in 15A NCAC 13B .0101 (36), except that hazardous and liquid wastes are prohibited from acceptance at this facility.
2. ✓ This facility may receive solid waste that is generated within the service area described in Appendix I of this document and shall dispose of said solid waste at the Wayne County Landfill (Permit #96-06) located on S.R. 1129, Dudley, Wayne County, North Carolina.
3. ✓ This permit shall be reviewed every five (5) years; on or before 10 June 2002. Modifications shall be in accordance with the Rules in effect at the time of review.
4. ✓ This permit is for operation of the transfer facility in accordance with the approved plans and the approved Operational Plan prepared by the City of Goldsboro, received 8 May 1997. Any revisions or modifications to these plans shall be approved by the North Carolina Solid Waste Section.
5. ✓ Operation of the facility shall occur in accordance with 15A NCAC 13B .0402, "Operational Requirements for Transfer Facilities", the approved operations plan prepared the City of Goldsboro and these additional requirements:
 - a. The owner or operator of a municipal solid waste management facility shall not knowingly dispose of any type or form of municipal solid waste that is generated within the boundaries of a unit of local government that by ordinance:
 1. Prohibits generators or collectors of municipal solid waste from disposing of that type or form of municipal solid waste.
 2. Requires generators or collectors of municipal solid waste to recycle that type or form municipal solid waste.
 - b. On or before 1 December(or at an earlier date as requested by the Division), the owner or operator shall report to the NC Solid Waste Section, for the previous year beginning 1 July and ending 30 June, the amount by weight of the solid waste that was received at the facility and disposed of in a landfill, incinerated, or converted to fuel. To the maximum extent practicable, such reports shall indicate by weight the COUNTY of origin of all solid waste. The owner or operator shall transmit a copy of the report to the county in which the facility is located and to each county in which waste originated.
