Wayne County, North Carolina
Permit No. 96-07T
Doc ID No. 4874

Dear Mr. Bartlett:

The Solid Waste Section (SWS) is in receipt of your June 5, 2008 letter, requesting to rescind the permit modification request submitted on April 20, 2007. The modification request was to modify the permit to operate for the subject facility, to allow the facility to store leaves and yard debris. This is to notify you that SWS has accepted your request to rescind the permit modification. SWS further advises that you will continue to operate the facility according to the terms and conditions of the permit amendment issued to you on July 7, 2007. You will be getting a bill for the annual operating fee in near future.

Mr. Ben Barnes is the Solid Waste Section Waste Management Specialist for your area, and can be reached at (919) 621-3680. If you have questions about this letter, please contact me at (919) 508-8401 or by email Karim.Pathan@ncmail.net.

Sincerely,

Karim Pathan
