Re: ABTco Industrial Landfill ID #97-03

Dear Ms. Marks,

This letter is to confirm our understanding on the Department of Solid Waste's position on the ABTco Landfill Design Plan submitted in December 1997. Per our conversation on August 11, 1998, I understand that you are the individual who will be reviewing our plan. Due to administrative constraints, this review will occur in the next several months as your schedule allows. In the interim, we shall operate our landfill in compliance with the submitted Landfill Design Plan until the time that we hear differently from the Division of Solid Waste as we discussed..

If you have any questions or concerns, please do not hesitate to contact me at my office.

Sincerely,

Erich Burke, P.E.
Environmental Engineer
