Subject: Permit to Construct/Operate – Issuance  
Abbey Green Recycling Center – Permit No. 34-24  
Transfer, Recycle, Resource Recovery and Processing Facility  
Forsyth County, DIN 11291

Dear Mr. Bryan:

Enclosed you will find Permit No. 34-24 for the Abbey Green Recycling Center, Transfer, Recycle, Resource Recovery and Processing Facility, the permit is dated July 30, 2010. The following are important items that remain to be accomplished;

- Read your permit carefully, it is important that you understand your permit. If you have any questions regarding the process or the permit please contact me immediately.
- The approved documents related to your permit are attached in electronic format, on CD. It is important for you to understand that the permit and these documents are equally important to the permitted operation of the facility.
- Enclosed is a certified original of your permit. It is important that the certified original permit be recorded by the Register of Deeds in Forsyth County. It should be indexed in the grantor index under the name of the land owner. The certified original should be affixed with the Register's seal, date, book number and page number of recording. The certified original of the permit with the Register's information affixed should then be returned to me at the address at the bottom of this page. The purpose of this recordation to notify future buyers that a solid waste management facility existed on the property, in accordance with North Carolina General Statutes.
- In accordance with the Financial Assurance, Closure Cost Estimate provided, a cost of **\$75,087.50** has been established and approved for the purpose of Financial Assurance. Mr. Donald Herndon or Ms. Shawn McKee, Division Compliance Officers, will be in contact with you in the near future to ensure that the appropriate Financial Assurance Mechanism is established by you for your permitted facility.
