Re: Permit to Operate – Beaufort Transfer Station  
Beaufort County, Permit No. 07-03T, Document ID No. 16619

Dear Mr. Einsmann:

Please find the enclosed Permit to Operate for the Beaufort Transfer Station, Permit No. 07-03T, indicating the change in landowner and operator and approving the continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans. Please review the conditions of the permit thoroughly.

Also included are an approved and stamped operation plan and a certified original of the permit. The certified original is provided for recordation with the Beaufort County Register of Deeds. The certified original affixed with the Register's seal and the date, book, and page number of recording must be returned within 30 calendar day to the Permitting Branch Supervisor as noted at the bottom of the certification statement.

If you have questions about your permit, please contact me at (919) 707-8257 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov). The Environmental Senior Specialist for the facility is Ray Williams. He can be reached at (252) 948-3955 or (919)621-3692.

Sincerely,

Patricia M. Backus, P.E.  
Environmental Engineer
