Mr. Larry Frost, P.E.
 Regional Engineer
 2090 US Highway 70
 Swannanoa, North Carolina 28778

RE: Financial assurance documentation.

Dear Mr. Frost

I have obtained a quote from a third party hauler in accordance with North Carolina General Statute N.C.G.S.130A-294(b2) which is required for all permits. The cost estimate for the minimum five days remove, cleanup, haul and dispose 515 tons of waste and recyclables is \$27,000.00. Jamie Lockhart of Hilco Transport out Greensboro is the third party hauler that provided quote.

Sincerely,

Lewis Berry
 Solid Waste Supervisor
