Mr. Allen Gaither  
NCDENR  
Asheville Regional Office  
2090 US 70 Highway  
Swannanoa NC 27887

Dear Mr. Gaither:

We are requesting authorization to dispose of water treatment plant sludge from the Town of Andrews in our MSW landfill. The hauling of this sludge is a one-time activity and, precluding any weather problems, should be completed before January 31, 2011.

We appreciate any consideration.

Sincerely,

Robert Allen  
Solid Waste Director
