Columbus County LCID Unit Landfill
Permit 24-01
Doc ID 12231

To date the Solid Waste Section (SWS) has not received documentation for the Compliance History Review (CHR) it requested for the facility listed above. The SWS initially requested the CHR in its letter dated March 5, 2010 (Doc ID 9906). The SWS repeated the request on August 3, 2010 (Doc ID 11657) and October 19, 2010. For the SWS to complete its permitting process, please submit the CHR as soon as possible. For direction regarding the CHR see the aforementioned documents, which contain additional information and contacts.

Thank you for your time and attention. Please contact me if there are any questions.
