Re: Application Completeness  
Columbus County Transfer Facility  
Columbus County, Permit No. 24-03T, Document ID No. 11528

Dear Mr. Jernigan:

The Division of Waste Management, Solid Waste Section (Section) received the appropriate application fee for the permit amendment request in *Request for Permit Amendment, Columbus County Transfer Facility, Permit No. 23-04T (DIN 11306)*.

Submittal of the application fee removes the deficiency noted in my letter of August 23, 2010, (Document ID No. 11434) and the application is now deemed complete in accordance with General Statute 130A-295.8(e). A determination of completeness means that the application includes all required components but does not mean that the required components provide all of the information that is required for the Section to make a decision on the application.

If you have any questions regarding this matter, please contact me at (919) 508-8520 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov).

Sincerely,

Patricia Backus, P.E.  
Environmental Engineer  
Solid Waste Section
