Re: Permit to Operate – Columbus County Transfer Facility  
Columbus County, Permit No. 24-03T, Document ID No. 12282

Dear Mr. McClary:

Please find the enclosed Permit to Operate for the Columbus County Transfer Facility, Permit No. 24-03T, which approves the continued operation of the facility.

In general, the facility permit does not reiterate permit conditions which are included in the Solid Waste Management Rules, 15A NCAC 13B, nor does it restate specific conditions which are included within the approved plans.

Please review the conditions of the permit thoroughly. If you have questions about your permit, please contact me at (919) 508-8520 or by email at [pat.backus@ncdenr.gov](mailto:pat.backus@ncdenr.gov). The Waste Management Specialist for the facility is Wes Hare. He can be reached at (910) 796-7405 or (919) 6280-5135.

Sincerely,

Patricia M. Backus, P.E.  
Environmental Engineer  
Solid Waste Section
