Re: Site Study Comments  
Riegel Ridge Landfill  
Columbus County, North Carolina  
Doc ID No. RCO200

Dear Mr. Loyd:

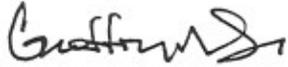

A review of the Revised Site Study dated October 23, 2003, for the above referenced facility is complete. Please provide the following information associated with the Site Study.

1. An updated and revised the Regional Characterization Map / 2-Mile Radius Map, Sheet 1 of 1 dated 11/23/99 as necessary for the information required in NC Solid Waste Management Rule .1618(c)(1).
2. An aerial photograph taken within the past year that identifies the elements required in Rule .1618(c)(2). The Local Characterization Study Aerial Map included in the above referenced Revised Site Study is dated 03/08/99.
3. Written narrative addressing the status whether any changes have taken place that affect the site location restrictions required in Rule .1618(c)(4).
4. Status of the CWA Section 404 permit.
5. Any other information that may have changed or need revision since submittal of the Revised Site Study referenced above.

Comments regarding the Site Hydrogeologic Report required in Rule .1618(c)(3) were provided in a separate comments letter from the Solid Waste Section dated January 31, 2006.

Thank you for your cooperation in this matter. Should you have any questions regarding this letter or wish to discuss the matter further, please contact me at (919) 508-8498.

Sincerely,

Geoffrey H. Little  
Environmental Engineer  
Solid Waste Section
