and Natural Resources  
Division of Waste Management  
Solid Waste Section  
1646 Mail Service Center  
Raleigh, North Carolina 27609

Dear Mr. Little:

The required review of the Fort Bragg Solid Waste Transfer Station Permit and Operations Plan is in process and will be revised to incorporate changes to the Operations Plan. The Operations Plan will be submitted for your review no later than June 7, 2010.

For additional information, please contact Mr. Sid Williamson at (910) 396-3372 or Ms. Audrey Oxendine at (910) 907-3214.

Sincerely,

Gregory G. Bean  
Director of Public Works
