August 04, 2008

Dear Mr. Frost,

Waste Industries is requesting the following modification to Permit No. 26-09-T (Waste Industries operated, City of Fayetteville owned transfer station).

1. Addition of Richmond County to list from which transfer station may accept waste.

A request for Moore and Scotland County to be added sent on June 19, 2008 included a copy of permit and operations plan. If this information is required again please notify me.

Sincerely,

John Pfleger
