Subject: Temporary Use of Well PW-1
R.J. Reynolds Ash Landfill - Permit #34-05
Edwards Road
Rural Hall, Forsyth County, North Carolina

Dear Ms. Drummond:

On behalf of R.J. Reynolds Tobacco Company, ERM NC, Inc. (ERM) is retracting our previous request to temporarily utilize well PW-1 at the referenced site for dust control (Reference ERM letter dated 2/24/12). An alternative source for dust control water supply has been identified and will avoid concerns expressed by the Division of Waste Management concerning pumping water from well PW-1. A temporary water tank will be placed on site during construction with water taken from the Town of Rural Hall to fill the tank on an as-needed basis.

Please contact us if you have any questions or require additional information concerning this letter at (704) 541-8345.

Sincerely,

A handwritten signature in blue ink that reads "Alan D. Martin".
